Account Details

The Account Details on this Account Statement are provided by Airwallex's Global Accounts product. The Global Accounts product enables Airwallex customers to access an account at a locally licensed banking partner, held by a local entity of the Airwallex Group. The Account Holder can receive funds into a Global Account or use it to pay out funds via direct debit. The Account Holder may have more than one Global Account for a given currency balance, some of which may not be listed on this statement. Funds in the Account Holder's Global Account(s) are transferred to the Account Holder's Airwallex wallet and transactions such as conversions and payouts are funded via the Account Holder's Airwallex wallet balance, rather than the Global Account(s) directly. This Account Statement details transaction activity associated with the Account Holder's Airwallex wallet rather than activity associated only with the Global Account to which the Account Details on this Account Statement relate. This account is provided by Community Federal Savings Bank.
